Birthday Party Guidelines

Privacy & Nature Center Access

Siblings who are not guests of your party, as well as parents who do not wish to remain for the duration of the party, may tour our grounds or visit our live animal museum. All children must be accompanied by an adult when visiting other areas of the TNC.

Supplies & Decoration

We provide and set up tables and chairs, and ask that you provide all party supplies (food, drinks, tablecloths, plates, cups, and silverware, as needed). Due to the presence of animals at the TNC we request that balloons and confetti not be used. Food must be prepared in advance, or may be delivered. There is no cooking on site. A refrigerator/ freezer is available for your convenience.

Set-Up and Clean-Up

On the day of your party you may come in to set up 30 minutes in advance and will have about 20 minutes to clean up. We often schedule more than one party or other program in the same day and it is important that you end your party on time.
