Why Adopt an Animal?

Our animals play a crucial role in the education of over 18,500 children a year. Not only do school age children enjoy and learn from our animals, so do adults—we have over 35,000 visitors to our museum a year.

Your animal sponsorship helps cover the cost of food, housing, and bedding. Sophie the Great Horned Owl eats $500 of mice a year alone! All together, our animals need over $3,000 a year in food and veterinary care.

Thank you for helping us care for our animals. We appreciate your support!

Adopt an Animal!

Animal adoption funds go directly toward the food, supplies, and medical care for our animals.

"Adoption" is a form of sponsorship—adopted animals remain at Tanglewood. Animals, like all living things, change, grow, and pass away. Some very popular animals may have more adopters and "extended families."

Adoption form:

Animal of interest: __________________________
Sponsor’s Name: ____________________________
Address: _________________________________
Phone Number: ____________________________
Email: ____________________________________

Send me your email newsletter!  □

Is this a gift?  □ Yes  □ No
Recipient’s Name  ______________________________________________________
Address: __________________________________________________________________
Email: ________________________________________________________________

Payment:
Sponsorship level: _________________________
Check Enclosed (payable to Tanglewood Nature Center)
Charge (MasterCard, Visa, or Discover)
Card number: _______________________________
Exp. Date: ______  CVV  ____
Signature: __________________________________

Your support is greatly appreciated and tax-deductible as allowed by law.
