Note from the Camp Directors:

Thank you for your interest in our summer camps! We are thrilled to be able to provide such a unique and exciting opportunity for your children to learn about their relationship to the natural world while supporting their physical, social, and intellectual growth.

It is our goal to get your children outdoors to explore and enjoy what Tanglewood has to offer. With our 9+ miles of hiking trails, 300+ acres, live animals, nature museum, and the solar-powered lodge there is plenty to explore!

Sincerely,
Ryan Donnelly, Camp Co-Director
Maggie Groce, Camp Co-Director

- This camp is ideal for kids who love being outdoors and don't mind getting a bit messy!

Daily Schedule

Arrival and dismissal times

Arrival time for regular camp day is 10:00 am. Pick-up is at 3:00 pm. Campers must be signed in upon arrival and signed out by an approved adult with photo I.D. at dismissal. If you require an earlier arrival or later pick-up time, extended days (8:00am-10:00am morning care or 3:00PM-5:00PM afternoon care) are available for an additional fee. *Extended day is relaxed child care and socialization – not the action-packed educational adventure of the regular camp day!*

10:00-10:15 Check-in

10:15-11:30 Morning activity (Mondays- safety review and icebreakers, then fun!)

11:30-12:00 Lunch

12:00-12:30 Free play, games and outside play

12:30-1:45 Afternoon activity

1:45-2:00 Snack

2:00-2:45 Craft

2:45-3:00 Clean-up and recap of the day

What to Bring

Campers should bring a lunch, reusable LARGE water bottle, sunscreen, a hat, bug spray, and a smile! **(No phones, electronics, or personal toys/games)**

Camp Attire

Campers should dress for the weather, rain or shine, and wear comfortable close-toed shoes. Keep in mind that we will be exploring the woods, meadows, and ponds – clothes will get wet or dirty! Bringing rubber boots, water shoes, or an extra pair of socks and sneakers is a good idea.

Staff and Counselors

All staff, volunteers, and counselors undergo a state-mandated background check and training.

Camp Co-Directors

Maggie Groce (volunteer.tanglewood@gmail.com)

Counselors

Your children's safety is our top priority at Tanglewood Nature Center. Each camp has at least one counselor for every 12 students as mandated by the NYS Health Department. All regular Tanglewood staff are certified in Wilderness First Aid and CPR and a staff member will travel with campers on remote hikes. We require that each counselor receives proper training in all safety protocols and emergency procedures. To ensure that all campers and CITs understand our camp rules and regulations, each Monday we spend 15-20 minutes introducing ourselves, doing a practice fire drill, and going over the buddy system.

Counselors in Training (CITs)

Youth volunteers ages 15+ that will assist camp counselors.

Counselors-in-Training for Ages 15+

Becoming a Counselor in Training is a great way to gain leadership experience while working in nature!

Counselors-in-Training (CITs) are youth leaders aged 15+ who assist the camp counselors in providing a safe and fun camp experience at Tanglewood. They will help lead environmental education activities, games, crafts, songs, stories, hikes, and more. Our CITs will also assist with camp preparation, check-in and check-out, and will serve as a positive role model for children in camp. This is an educational position that will involve being placed with two counselors each session for mentoring. Each CIT commits to a minimum of three weeks over the summer.

CIT applications can be found on our website and are due by May 13th to the Camp Co-Director, Maggie Groce (volunteer.tanglewood@gmail.com).

Registration and Cancellation Policies

Pricing and Hours:

- Regular Day 10am-3pm - \$190
- Extended Day 9am-4pm - \$240
- Extended Day 8am-5pm - \$290
- More options available online

Registration:

Registration is on a first-come, first-served basis. You must be a member of Tanglewood to register a child for camp – **membership fees are not included in the camp registration price**. Registrations can be done *online only* at www.tanglewoodnaturecenter.com. For more information, contact Deanna at (607) 732-6060 ext.100.

Applications:

Applications for camp registration will only be accepted for review upon completion of all application components. Applications that are not complete will not be considered for registration and will not secure placement for camp(s) in any capacity. Upon receiving all components (**camp registration forms, immunization records, and payment**) applications will be considered complete, and enrollment will be secured.

Immunization Records:

Immunization records must be sent in every year, as required by the Health Department. Due to the increasing numbers of people infected with dangerous communicable diseases in the US, we are **only allowing Medical Exemptions for vaccinations**. Please see our website or contact Deanna at 607-732-6060 for the Medical Exemption Form. Thank you for helping us keep the camp children and staff healthy.

Membership:

Membership is crucial to Tanglewood Nature Center's existence. Your support enables Tanglewood to maintain the high standards in nature education we have established over the years, and helps us continue to grow and improve. Our animals, our preservation of 300 acres of field and forest, and our educational outreach is only possible with your help. With help from your membership, we reached 30,000 children in 2019! Being a member, you also receive benefits listed on our website at: www.tanglewoodnaturecenter.com/membershipbenefits Thank you.

Waiting Lists:

If you would like to put your child on a waiting list, please register on our website. Campers registered for the waiting list will be contacted in the order their registration was received. If a response is not received by 12 pm the following day, the next camper on the list will be contacted.

Cancellations:

All cancellations and transfers are subject to a \$25 administrative fee per request. Cancellations made with *more than 2 weeks' notice* will receive a refund less a \$25 administrative fee per request. Cancellations made with *less than 2 weeks' notice* may receive a refund less a \$25 administrative fee, but only if another camper fills the available space. No refunds will be issued if a replacement is not found by 12 pm Wednesday prior to the start of camp.

Camp Transfers and Refunds:

Transfers from one camp into another are considered a cancellation and are subject to a \$25 administrative fee. It is the registrant's responsibility to re-register the camper online. Refunds are only for camp fees. Membership fees are non-refundable.

Illness:

If a camper misses over half a week of camp due to illness, 50% of the camp fee will be refunded. If a camper is unable to attend the entire week, a full refund will be provided. Tanglewood must be notified within 24 hours of illness and a dated doctor's note must be provided within one week for refund.

Frequently Asked Questions

Can I drop my child off in the parking lot?

No. For the safety of all campers, we will be doing a drive up drop-off and pick-up in the lower parking lot by the lodge. Parents and campers will remain in their cars until they are approached by camp staff for daily check-in/ checkout.

How is Tanglewood keeping campers safe during the Covid-19 Pandemic?

We will be following New York State Health Department Covid-19 guidelines that are in place at the time of summer camp.

What is Tanglewood's discipline policy?

We have a three strike policy. Strike one will be a time out with one of the counselors when a camp rule is broken. Strike two is a time out and a conversation with the Camp Director. Strike three will result in a time out and a conversation with our Executive Director, and parents will be called and asked to pick up their child. Usually, after a time out, children can get back on track and enjoy the day. There is also a no-tolerance policy for bullying and behavior such as punching, hitting, or kicking.

What if my child takes medications?

Please contact the Camp Co-Directors so that we can create a health plan for your child. We cannot administer any medications directly. Children must be able to self-administer their medications, and all medication usage will be supervised.

What about safety?

All permanent staff at Tanglewood are certified in Wilderness First Aid and CPR, and seasonal staff are encouraged to become certified as well. This means all staff is equipped to handle safety issues on the trails. However, nature is unpredictable and accidents happen: bee stings, falls off steps, tripping on the trails and other minor injuries can happen. We do ask that campers be active participants in their own safety by asking for clarification if they don't understand, not wondering off, and responding quickly to instructions. If you feel that your child cannot handle these situations, please think twice before sending them to a nature-focused camp.

What if my child has special needs?

Our primary goals are safety and a positive camp experience for all. We're a little different than school – we don't have one-on-one staff, we embrace spontaneity instead of following a strict schedule, and we emphasize teamwork and like to encourage kids to care for their belongings and be self-sufficient. Please understand that our camps are very active with multiple transitions and sensory changes throughout the day. There are times where kids play in mild physical discomfort (like mud, soggy socks from the pond, getting sweaty). If you have questions about whether this camp environment is a good match for your child, please contact the Camp Co-Directors so that we can plan ahead for your child so they are supported and safe at camp.

What is Tanglewood's weather policy?

Camps will not be cancelled due to inclement weather. Campers should come prepared to be outside, so bring rain gear on wet days and jackets on cool days! Refunds for activity cancellations that are weather-related cannot be provided. On extremely hot days we may have to take breaks inside for air-conditioned nature games. We have indoor games and crafts in case of thunder and lightning.
